

After School Bus Transportation Program

The Boys & Girls Clubs of Wayne County will provide after school bus transportation from designated schools to the Jeffers and Central Clubs beginning Monday Aug. 25th.

The Central Unit shuttle will pick up members at Starr, Vaile, and Charles Schools and deliver them to the Central Unit only.

The Jeffers Unit bus will pick up members at Westview, Seton West, Discovery, Dennis and Test Middle Schools and drop off at the Jeffers Unit.

The Club will only pick up members at these designated schools and only deliver them to the Jeffers or Central Unit as indicated.

Permission slips to ride the Club bus or van can be picked up at the Jeffers or Central Unit or the office of the designated school. The permission slip is to be turned in to the Club, **NOT** the school.

PLEASE NOTE: Richmond Community School buses will provide transportation to the Jeffers Unit **BEGINNING SEPT. 2ND** from C.R. Richardson, Garrison, Crestdale, Fairview, and Highland Heights Schools. There are a limited number of seats available for this service. Parents must make these arrangements with their school's office.

Students must be a member of the Boys & Girls Clubs of Wayne County and must have a signed permission slip in order to ride the Boys & Girls Club bus.

There will **not** be transportation provided on days school is let out early due to weather or other unforeseen circumstances.

Bus service to the Club **will** be provided at 1:40 on Tuesdays and at 11:00 on elementary school parent-teacher conference days.

Members must arrange for their own transportation home from the Club.

There is no additional charge for bus service.
